**June 27, 2019**  
**Power Home Solar**

**Present:** Tom Stuart, Mark Starr, Mike Bouwkamp, Chair, Sam Scholten

**Absent:** Jan Lesley

This meeting was called to order at 7:05 by chair, Mike Bouwkamp.

The board reviewed the minutes from the last meeting held on November 15<sup>th</sup>. Tom made a motion to approve the minutes as written, seconded by Sam. All were in favor and the minutes are approved.

No representation at this meeting by Power Home Solar or property owner. The board reviewed the request and discussed other options that may be available and question why the unit can not be placed in the back yard.

As there was no one to represent the owner or letter to explain why it could not be placed elsewhere, the board moved to the checklist. The checklist results indicate a denial must be given. By role call vote, all members voted a "No".

A letter will be sent to Power Home Solar with decision.

Mike made a motion to adjourn at 7:25 pm seconded by Tom. A date for the next meeting has not been established at this time.
